## FIRE IN CLOTHING STORE IS CONFINED TO STOCK

partment Without Serious

Several companies of the fire department responded to an alarm from box to the stock in the store, the building sustaining no damage.

Rooms over the store were vacant, s that no rescue work was necessary. When the firemen reached the store and saw the blaze it appeared as if the building was doomed, but quick application of building ignited.

Fire of unknown origin caused a one hundred-dollar blaze last night about 9 o'clock in the apartment of Frederick S. Barlow, 71-A Bates street northwest. Firemen responded to an alarm sounded from box 233 and extinguished the fire. Employes of the Congressional garage, 628 Pennsylvania avenue southeast, set was\_only through the efficient action of fire to a quantity of waste material last night about 8 o'clock and so much smoke was made that neighbors thought the he saw a blaze coming through the roof and sounded an alarm from box 513. The firemen were not needed.

The fire department received a call from box 148 last night shortly after 7 o'clock, the alarm having been sounded because of a smoky chimney at the Iroquois
